GEC ALUMNI ASSOCIATION

DISA ...a way forward

12-07-2014

On behalf of GEC Alumni Association, DISA... a way forward, an orientation program for I B.Tech students was organized on 12th July 2014. Sri N Deepak, JDA Software (India) Pvt Ltd and Mr. U. Srikanth, Informatica, Bangalore were the resource persons for the program.

Deepak Nadella explaining about Industry scenarios and Opportunities

U.Srikanth interacting with the students

The purpose of this orientation program is mainly to highlight:

1. **Engineering Competencies:** Budding steps one engineer need to take during four years of his/ her study. This would be more of interaction and experience sharing.
2. **Industry Expectations:** What the industry is expecting from budding engineers and what does an engineer need to do to adapt to changing industry expectations.
3. **Higher Aspirations:** Various career options and opportunities available for engineers in light of present industry scenario and education system.
4. **Motivational Videos:** Videos to motivate and encourage students - Spirit of GEC, One Degree Makes All Difference, Chak De India, Nothing is Impossible and proud to be a GECian.
5. **Research:** Interacted with students on Cloud Computing, Business Process Management (BPM) and Mobile Application development.
6. **Suggestions and Tips:** Some tips and suggestions were given on how to become a successful engineer and a good human being.

It is conveyed to students that GEC Alumni would like to make best efforts to ensure that all the outgoing students of this almighty college to live up to industrial expectations and standards.
